

Information of pKM2L-phIL1B (RDB # 5526)

RDB # 5526, pKM2L-phIL1B

IL1b promoter region (3.8 kb)

The promoter region was amplified by PCR using a placenta genome DNA (Cat #: D7011, Sigma) as a template.

Referenced sequence is 55967-52177 nucleotide of AC079753.7.
